ALLEN'S ROSEWOOD QUEEN (LOT 11)

Special Terms and Conditions

TERMS: The terms are cash, or certified cheque at par Toronto, payable to Sales Managers. All payments must be made to the clerk of the sale and no release will be given until satisfactory settlement has been made.

BIDS: The highest bidder shall be the buyer. In case of dispute, the animal shall again be put up for advance bids and if there be no advance bid, the animal shall be sold to the person from whom the auctioneer accepted the last bid. No bidder shall bid a sum less than the auctioneer nominates. Every animal is pledged to absolute sale and by-bidding is prohibited. The auctioneer may, without giving any reason therefore, refuse to accept the bidding of any person or persons. Every animal must be transferred to the new owner and may not be transferred back to seller, except at the discretion of the recording society concerned.

RISK: All animals are at purchaser's risk as soon as struck off, but will be cared for free of charge for a reasonable length of time.

ERRORS: If errors are noted in the catalogue, announcements will be made from the auction stand and such announcements will take precedence over the matter in the catalogue.

CERTIFICATES: Each animal is recorded, in the herd-book of the Association. The certificate of registry with recorded transfer will be furnished by the Sales Managers to the purchaser free of charge.

SHIPPING: Assistance will be given in loading and shipping animals but no risk is assumed by the Sales management or seller.

WARRANTIES:

- (1) Each seller warrants clear title to the animal and right to sell the same.
- (2) Unless otherwise noted in the catalogue or announced from the auction stand, each animal is sold as sound.
- (3) (a) **Bulls:** Are sold as being able to serve and settle after reaching 14 months of age. The buyer is expected to provide reasonable care and feeding. Should the bull prove to be a non-breeder, the buyer shall notify the seller within four months after the bull reaches 14 months of age. The seller shall then have six months to prove the bull to be a breeder. In no case shall the seller be responsible for more than the selling price. Older bulls are warranted as breeders unless otherwise announced from the auction stand.

(b) **Females:** Any female pregnant when sold or that has freshened normally within sixty days prior to the date of the sale is by that fact considered a breeder. Should any other female not pregnant when sold fail to become pregnant within six month of sale date, or if less than fifteen months old when sold, by the time she reaches the age of twenty-one months, after having been bred to a bull known to be a breeder and after having been treated by a licensed veterinarian, the matter shall be reported in writing to the seller who shall then have the privilege of six months time in which to prove the animal a breeder before refunding the purchase price. Females bred when sold are presumed to be pregnant but pregnancy is not guaranteed. The seller makes no warranty that females announced safe in calf will deliver live calves, or that they will carry calves full time, nor does he guarantee that the calf carried, will not be mummified. In no case shall the seller be responsible for more than the sale price of the animal.

Udders: The udders of cattle to be sold will be carefully examined before the sale and any defects found will be announced. The purchaser has the privilege of inspection. No guarantees are made on udders after the animals leave the seller's premises. Udders of first calf heifers not yet in milk are not guaranteed in any way.

- (4) Above warranties cease when the animal is disposed of by the original purchaser.
- (5) Transportation charges on all animals subject to adjustment shall be paid by shipper.

ACCIDENTS: Although every precaution will be exercised to protect the safety and comfort of guests, neither the Auctioneers, Owners nor Sale Management will be responsible for condition of the grounds, or behaviour of animals and disclaim any liability, legal or otherwise, in the event of personal accident or property loss.

The above Terms and Conditions shall be a contract between the buyer and seller of each Lot.

NOTICE: You are respectfully requested to read the Terms and Conditions.

Insurance, effective immediately, may be obtained through the Sales Office upon inquiry.

All mail bids will be taken by the Management.
